Keeping Current

We hope that you all have had a wonderful New Year and Springtime. I am sorry for the long span of time between the last KeysNews and this one. Typing became a slight challenge for me as I paid a temporary physical price for winning, and therefore playing, too many basketball games one night at the YMCA. That, and the fact that the planet has had a tremendous amount of violent energy for every one of us to have to digest and transmute so far this year, had combined to cause me to need to rest the shoulder attached to my flying fingers for a while. But I'm back now. Thank you God.

This month's KeysNews article is my response to the many requests that I have had from our Keys students, friends and sponsors for a blueprint for those first starting out to learn how to apply the Keys work more efficiently. This article refers to the reasons why we all say "Perfect Works" all the time. It also describes how to use the many other Perfect Works Style Prayers that have become part of the Keys work over time. The KeyNews will publish a series of articles for beginners over the next few months. This present newsletter has the perfect article to pass along first to any of your interested friends or family members.

As a Public Foundation, we are supported by the donations of our friends and sponsors. There is never a charge for the spiritual information that we share, and never a charge for our prayer services. We thank everyone who is currently pledging and donating money to our Foundation for you are the ones who are helping us help others.

*We encourage everyone to send us prayer requests by snail mail at our mailing address noted below; by e-mail at: amo81@hotmail.com; and on our voice mail message line at 702-878-0427. Please feel free to share these newsletters and refer all of your interested friends to us for placement on our mailing list at: **The Keys To Reality® Foundation, 800 Lacy Lane, Las Vegas, NV. 89107.** It's free.*

Perfect Works Style Prayers

This article is the first of a series that will be specifically directed at new students who desire to take best advantage of The Keys To Reality® work, as quickly and as effortlessly as possible. It will also serve long-time Keys students by providing a refresher course on applying the very important basic steps that can all too often be overlooked and taken for granted by experienced Spiritual Students.

In this article, I'm going to discuss the benefits of aggressively utilizing Perfect Works Style Prayers. Perfect Works Style Prayers are specifically designed to be short and easily remembered, yet powerful enough to help you handle your life in a very constructive and "karmically correct" way. To best present this information, I will start by discussing the concepts behind Perfect Works as an asking, in and of itself.

The Creative Laws of Energy for this planet state, "ask so that you may receive, knowing that before you've asked, it is done" and "everything that you put out comes back to you." Ask (put it out), so that you may receive (so that it can come back to you). For every situation and/or condition needing God's Assistance, someone must ask so that someone may receive over time.

For every situation and/or condition needing God's Assistance in the physical, someone must ask from the physical. All negativity and karma ever created

God I Am Divine Diligence. God I Am Divine Daily Spiritual Application. There are no times when I am not consciously aware of the Creator within me. God I Am Divine Responsibility and Responsiveness. God I Am Precise Accountability. God I Am the Perfect Divine Student of the Creator because I am always aware of all that is going on within me and of all that is going on around me. I Observe My Inner World and Being and My Outer World and Being, and I consistently monitor myself and my surroundings as directed by Our Infinite Creator Source and in His Most Perfect Way over time. God I Am Divine Awareness and Self-Awareness. God I Am Divine Recognition and Understanding. I Apply myself in all areas of my life as and when directed by Our Infinite Creator Source, and in His Most Perfect Way, at all times. God I Am a Divine Student of the Creator and I am grateful to learn all that I am to learn throughout my life at all times. I see all experiences as potential inspiration for my Spiritual Development and I Thank the Creator for the opportunity to be uplifted in His Most Perfect Way over time.

God I Am a Divine Self-Starter. I don't need anyone to remind me of the Spiritual Application that I need and desire to do at any and all times. God I Am Divine Determination to be the best Spiritual Student and Master that I can be, now and forevermore. God I Am Divine Spiritual Endurance because I will never give up on applying myself spiritually in God's Most Perfect Way for all time. God I Am Divine Stamina and Follow Through; and I Accept that it is my responsibility to remain conscious of God within me at all times, so that I may be His Perfect Agent in all that I think, say and do, now and for all time. God I Am Divine Precise Accountability. God I Am Divine Co-Creatorship. God I Am Divine Clarity and Creativity in all that I do in the name of the Creator, for myself and for all life. God I Am Divine Love, Service and Unity. God I Am Divine Communication and Connection. God I Am always Willing and Able to focus on God within me for answers and comfort in His Most Perfect Way over time. Thank you God.

in the physical must be disempowered in the physical. A person disempowers (*dissipates and neutralizes*) negative energy either through suffering its consequences, or, through requalifying it into Divine White Light by the asking accordingly for God's Assistance in doing so.

In light of all of this, wouldn't it be wonderful to have an all-purpose phrase to ask (*put out*), that is totally empowered and effective, easily remembered, and specifically applicable to all situations, conditions and relationships, bar none? Perfect Works is such a phrase. Perfect Works is the calling in of the God Force to intervene within a situation and/or condition to bring forth that which Our Infinite Creator Source, in His Infinite Wisdom, knows is truly needed.

By calling forth for Perfect Works, you are helping to cause the situation or condition of concern to turn out as positively and Divinely as is possible. This is so because you are causing all involved to come more under the Control and Direction of Our Infinite Creator Source than they would otherwise be at the time and over time.

Ask and Let God Do It!

If you ask God to make certain individuals act as you would have them act, or ask God to make things turn out the way that you think they should, you are actually

demonstrating a personal need to control your life and life in general. Such a personal need to control is karmic trespass and can tie you karmically and negatively to the situation that you are focused upon, and to all the people involved in it, over time.

Without knowing God's Will and Plan, and without knowing the karmic balances between all those involved, you could not know what would actually be best to ask for (*to pray for*) all involved. That is why such a "*need to personally control*" type of asking/prayer would actually be karmic trespass in nature.

And since like attracts like in the Universe, karmic trespass always attracts more karmic trespass from others over time. That is why the putting out of karmic trespass type askings/prayers always makes you more vulnerable to all forms of karmic trespass in return over time.

Since Perfect Works, as an asking, automatically includes the qualification of "*in accord with the Will of Our Infinite Creator Source and in His Most Perfect Way,*" it is not trespass. With such a qualification to an asking, the empowerment behind it is automatically nullified should it not be for the highest good of all involved. It is this qualification that prevents a person from putting out prayer energy now that he will have to

Perfect Works Style Prayers continued:

requalify (and/or suffer the negative karmic effects from) later on, and perhaps over lifetimes.

Safe and Comprehensive

All of the above is why all Perfect Works Style Prayers are very safe to put out over time. There is no karmic trespass when you say any one of the Perfect Works Style Prayers, now or ever.

Perfect Works is one of the most comprehensively efficient prayer/askings on the planet. It is all that is required to make a tangible physical difference on a particular focus at a given time, and in a karmically correct manner, unless, of course, you are specifically instructed to do more by Our Infinite Creator Source at the time through your Crystal Clear Receivership.

So, whenever you notice something or someone that you believe needs help and/or correction, ask for Perfect Works and then let go and let God do it. If you want to improve the quality of the energy within and around you at all times, continue to put out any and all of the appropriate Perfect Works Style Prayers, consistently throughout your day, as needed and desired, and then let go and let God do it.

It's Much Better To Be Positive Than Right

By saying Perfect Works instead of allowing yourself to fall into fear, martyrism, upset or need to control when facing something that is not right in your life, you become part of the solution instead of part of the problem. It is much better to be positive in the face of uncertainty than be right about a negative future.

It is much better to influence a person positively through a Perfect Works Style Prayer than to wish him the worst by having an automatic, negative, personal reaction to any undesired or unexpected event in your life. It never pays to be negative even when you are being mistreated, misunderstood or exploited. Stand up for yourself, but just don't be negative or hostile when you do so.

Anything negative that you allow yourself to expect, predict or desire for yourself or others, you are helping to create for yourself and/or for others. In so doing, you not only sabotage yourself and/or others, but you create a karmic debt that you will have to repay (*suffer?*) later on in this and/or future lifetimes.

It is much better to pray without judgment, than to get angry and/or just complain without purpose. It is much, much better to say a Perfect Works Style Prayer, than to be martyred, grumbling, worried or preoccupied, but do nothing to make things (*or yourself*) better.

Perfect Works Future

Perfect Works can also be utilized to prepare the energy positively around an occurrence or relationship that is yet to occur in the physical. "*Perfect Works for tomorrow's business meeting*" and/or "*Perfect Works for a parking spot downtown for the theatre tonight*" are both perfectly valid and constructive askings.

"*Perfect Works for the health of an individual, for the economy of this planet or for all child abuse victims*" are also valid, important and empowered askings. Perfect Works should be used as often as possible by anyone truly wanting to make a difference in his own life, as well as for all life, over time.

By asking for Perfect Works that you get to have and/or experience something in particular, you are trying to create a better future for yourself by asking the Creator to Intervene and literally establish a karmic magnet in your consciousness (*subconscious mind*), that will help to attract/create that better something in your life over time. And, by asking for Perfect Works, you are requesting respectfully, not demanding.

By asking for Perfect Works that you learn how to be more positive and constructive in a certain way, you are trying to create a better future for yourself by asking the Creator to Intervene and literally establish habits of thinking, speaking and acting in your consciousness (*subconscious mind*) that will help to bring out the best in yourself and in the other people in your life, over time, as well. And, by asking for Perfect Works, you are seeking help without judgment or self condemnation.

So, if you want to create a better future for yourself and for all life, you should watch the news on TV and read the newspaper, and you should also watch the events in your own life, and in the lives of those closest to you, and then consistently remember to ask for the appropriate Perfect Works Style Prayers at the time and over time. Doing so as a way of life in general will cause you to become a valuable Agent of the Creator in your own life, and for all life, at all times.

Doing so will also continually improve your future by continually improving the karmic balances that you hold with all life, over time. Doing so would be "*smart -self-improvement*" and "*life -enhancement*" in action, at all times.

Perfect Works Lists

Another good habit to get into would be to make Perfect Works Lists in response to all that is going on in your life, and for all life, at any and all given times. Then

take the time to work on these lists as a regular part of your Spiritual Upliftment Regimen. Doing so would certainly be a tangible act of Loving Kindness towards yourself and towards all life.

For no matter how things turn out in any area of your life, or for all life, they would have been worse without your Perfect Works Style Prayers, and much worse without your regular Perfect Works Style Prayers over time. Perfect Works really works! Use it to help improve every aspect of your life, and of the lives of others, all the time, for all time. All of the above is why I always include time for Perfect Works askings during the sessions that I have with my clients and students.

The Specifics

The following are the Perfect Works Style Prayers that I use every day. In parentheses next to each prayer, I have noted the abbreviations that I use for each individual prayer when making Perfect Works Prayer Lists on paper by hand. Abbreviations are for your convenience. They are not necessary to memorize before actively using these prayers as an essential part of your daily life Spiritual Regimen, which they should quickly become:

Perfect Works (PW) is the general all-purpose prayer that is applicable to every possible situation, bar none.

God Take Charge of Me/Them (GTC) is used to call forth for God to immediately guide, direct and protect you and/or other people.

God Seal Me/Them Into Light (GSL) is used to protect yourself and other people from being controlled by the negative and limiting lesser god influences that are anywhere around them or soon to be around them.

Perfect Health and Healing (PHH) is used to pray for general health and healing.

Divine Healing, Comfort and Recovery (DHCR) is used when someone has a discomfoting or debilitating injury and/or illness.

God's Will Be Done (GWBD) is used to surrender a particular issue to the Creator, and at the same time ask Him to Intervene as he sees fit.

God's Grace and Mercy (GGM) is used when things look very bad or difficult for a person; and is used to ask for some very special extra help from God; perhaps more help than that person has earned karmically.

Freedom and Forgiveness from the Past (FFP) is used for all relationships, and especially when someone is facing a very difficult karmic situation that most likely has been caused by a karmic debt coming due.

Precise Accountability (PA) is used to create immediate Divine Correction and Direction for those who are not acting right.

Perfect Relating and Relationship (PRR) is used to improve all relationships in God' Most Perfect Way over time.

Mercy Bands Assist (MBA) is used to help those who "cross over/pass away" to find their way through the Tunnel of Light into the Spirit World. It specifically requests that the appropriate escorts come forth to help.

God's Truth Be Revealed (TBR) is used to reveal what' s really going on in any situation, circumstance, condition or relationship over time.

Divine Expansion of Time (EXP) is used to help a person get more done in less Earth time, but always in God' s Most Perfect Way

Victorious Mastery (VM) is used to call forth for Divine Help for yourself or another person to master a specific limitation or difficulty.

Lords of Karma Review (LOK) is used to call someone before the Lords of Karma so that they can review his actions and correct him accordingly, in Spirit and in the physical. Anyone who calls someone before the Lords of Karma must go there at the time as well.

Karmic Balances (KB) is used to call for more Divine Balance and Fairness between people over time.

Creator's Intervention (INT) is used to call in the Creator to overrule karma and to more specifically Correct and Direct the particular situation and the people in it.

Effortless Transmuting (ET) is used to help yourself and/or others requalify (*purify, uplift*) negativity and/or discomfort easier. It is especially appropriate when a person is sick or injured.

Divine Impersonality (DI) is used to help a person deal with life/difficulty from a Higher Perspective and without upset, complaint, fear or anger. It is the opposite reaction from taking things personally.

Perfect Performance (PP) is used to help a person do (*perform*) his best at anything.

Divine Communication (DC) is used to create more communication in particular relationships.

Ascension and Freedom (AF) is used to untie a particular discarnate personality from the planet, and to help him move to and through the Tunnel of Light into the Spirit World.

Perfect Works Style Prayers continued:

Divine Clearing (CL) is used to ask the Creator to remove specific negative/limiting lesser God influences from your consciousness (*subconscious mind*).

Divine Bestowal (DB) is used to ask the Creator to implant specific positive-uplifting personality habits and magnets in your consciousness (*subconscious mind*).

The God Help Me Prayers

The following are the God Help Me Prayers. Since they are simpler than the Perfect Works Style Prayers, these are the prayers that I have taught to all of my younger students and clients. Since they are used “*on the go*,” you don’t really need to remember their abbreviations.

And since God Help Me Prayers also automatically include the qualification of, “*in accord with the Will of Our Infinite Creator Source and in His Most Perfect Way*,” all serious students, of any age, should feel comfortable using them (*silently or out loud as is appropriate*) anywhere, anytime.

God Help Me/Them (GHM) pass this test; be more positive; comfort my child; lose weight effortlessly; eat the right foods today; communicate better with my boss.

God Heal My/Their (GH) body; heart; arm; leg; all the victims of the terrorists.

God Show Me What To Do (GSM) with this problem; about my car breaking down; about this difficult romantic relationship.

God Show Me How To (GSH) get along better with all my classmates; do this math problem; study for tests; hit a curveball.

God Show Me Who (GSW) to trust on this matter; who is right here; who I’m to call for the repairs on my car.

God Protect Me/Them (GP) from the drug dealers; from those trespassers; from the muggers.

God Give Me Patience (GGP) (*or more Patience*) in general; about how this person is acting; with my daughter; with my employees or employers.

God Please Remove (GPR) my irritation; anger; upset; fear; neediness; vulnerability; self consciousness.

God Tell Me (GTM) why this is happening; who is doing this to me; all I need to do about this incident.

God Teach Me (GTC) how to love; how to do mathematics; how to ride a bike.

God Make Me Invisible (GMI) to the bullies down the street; to the hall monitors when I’m late; to the angry mob down the street.

Suggested Bedtime Prayers

God Help Me Sleep Peacefully through the night, tonight and every night.

God Help Me Wake up Effortlessly at the prescribed time with lots of Love, Self-Love, Positivity, Energy, Clarity and Stamina.

God Seal Me into the Light during my sleep, and at all times, and allow nothing entry to, or creation through me, but by your Highest Will and Authority.

The Re-Dedication Prayer

The most important Keys To Reality® Prayer is called “*The Re -Dedication Prayer*.” Simply defined, it is a declaration that you belong to your Creator and that you desire to be sealed into doing the right thing in God’s Most Perfect Way at all times, for all time.

Re-Dedication Prayer: “I re-dedicate, re-consecrate and recommit myself and the allness of my beingness unto Our Infinite Creator Source for eternity. I ask for and accept that I and the allness of my beingness be now and eternally sealed into, and contained within, the Masterful and Victorious Fulfillments of Our Divine and Master Plans. So be it. I Accept that this is done. Thank you God.”

We recommend that you do The Re-Dedication Prayer as often as possible, as often as needed, or at least once upon waking up in the morning and once at night before bed. The phrase, “*allness of the beingness*” refers to everyone and everything that a person is tied to from this and all lifetimes. Doing The Re-Dedication Prayer is the most powerful prayer form of “*God Take Charge Of Me and of Every Part of Me*” that there is. So be it.
